

GCHS MINUTES OF AUGUST 15, 2018 MEETING

1. President Robbie Blue called the meeting to order at 6:25 p.m.

Board Members present were: President Robbie Blue, Jim Blue, John Bradley, P.J. Culley, Kay Dougherty, Stan Steiner; and Margaret Wilson.

2. Minutes of July meeting were not read due to the secretary not being present.

3. Margaret Wilson disseminated copies of the Treasurer's Report. Report was accepted by the President as presented.

4. Unfinished Business: As regards the GCHS Christmas ornament for the Indiana State Museum Christmas Tree, President Blue presented her findings from a meeting with artist M.J. Stevens. John Bradley had previously met with IWU instructor Wendy Puffar; however, the fall semester has not begun, so he was unable to talk to the persons who would have worked on our ornament. After considerable discussion, it was decided to have artist M. J. Stevens proceed with designing the proposed ornament. Many ideas were presented, but consensus was to include Hostess House, IWU building, James Dean, Frank Lloyd Wright Home in Shady Hills and GCHS on the ornament.

5. New Business:

A. President Blue proposed that we consider having a GCHS entry in the annual Christmas parade in November. Several ideas were discussed regarding the details of the "FLOAT" as to size, color, signage. No firm decision was made, but the general consensus was that we would likely pursue the idea, and it would be discussed further at the September meeting.

B. The annual dinner and program was discussed. Stan Steiner suggested we have a Mr. Duane Ott who gives a program called "Threads of the American Spirit." based on the American Flag of different periods in history. No motion was made, but there was general agreement, if he is available on our date.

C. President Blue presented a proposal that we restructure the GCHS annual membership dues schedule. The new schedule would be: Students, \$10; Individual, \$20; Family, \$30; Business and/or Sponsor, \$100. Motion was made by Kay Dougherty, seconded by P.J. Cully to accept the new dues schedule as presented. Motion passed.

D. P. J Cully volunteered to contact Ann Vermilion of MGH to ascertain if she would be agreeable and available to give GCHS a program about "History of MGH" at our October meeting.

6. Motion to adjourn was made by Stan Steiner, seconded by Jim Blue. Motion Passed.

Respectfully Submitted, John R. Bradley, Member
