2016

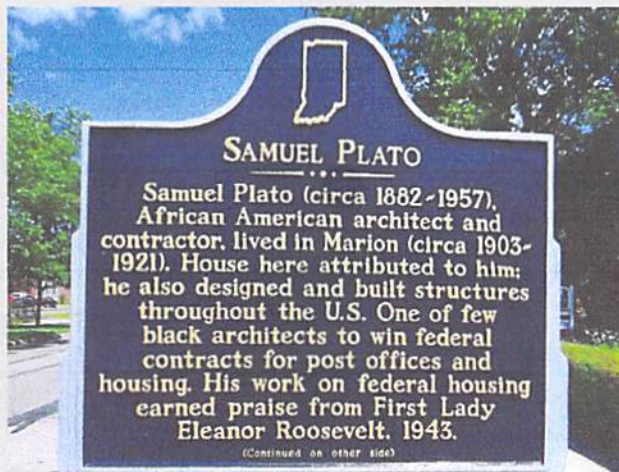

Indiana's Bicentennial Celebration

In 2016 we celebrate and honor our State's
200 years of history.

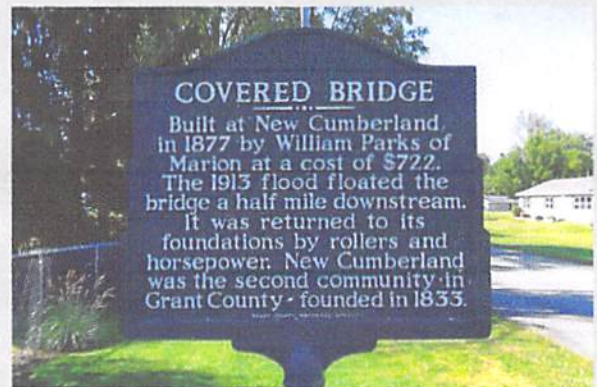

To participate in this celebration, the Grant
County Historical Society has submitted pho-
tographs to the Indiana Historical Bureau
of all the State Historical Markers in Grant
County to assist the Bureau with determining
the condition of the Markers.

In addition, the Society is making an effort to
identify other local commemorative markers
with the aim of producing a handout to assist
those who wish to visit these sites.

Please come to the meeting on January 20 to
learn more about our history and share in-
formation about local commemorative sites.
