

Grant County Historical Society

May 16, 2018

The May meeting was opened by Sue Israel, who read an e-mail from the Indiana State Museum to Grant County on the county tree ornament project. PJ Culley suggested Debbie Shepler of the Quilters Hall to design the ornament.

There will be a delay of the November minutes to the next meeting.

The treasurer's report was read with no questions. PJ moved and Kathy Humbert seconded to approve.

To continue the project of mapping

and describe local markers with a brochure in the year 2016, we would like to compose an additional brochure for the remaining markers in the county. Other historical societies in the county have been contacted and are interested in participating.

Ed Breen suggested we ask Boy Scout Troop 433 at Mt. Olive to assist in finding markers and locations and doing research.

The Society has sent a floral wreath to the service for Ray Lockwood.

Officers are elected at the May meeting. Robbie Blue was nominated for President, Kay Dougherty for Vice President, Sally Bancroft for Secretary and Margaret Wilson for Treasurer. Ed Breen moved and John Bradley seconded that the slate be accepted by acclamation. The motion passed unanimously. The program committee will be PJ Culley, Stan Steiner and Ed Breen.

Sue Israel has agreed to continue as a "technical person" for the newsletter. She will put the letter together as she receives information from others.

Sue also made gift notebooks for each officer with information including the Bylaws, and the requirements for each office.

Ruthann will be the library liaison and Joni Riddle will continue as webmaster. Juanita Rapp will continue as Researcher, Sue Israel continuing as Historian.

Ruthann will investigate keeping our Society's history in the Indiana reading room.

Mr. Boren, of Avis in Upland, has donated his collection of Southwest art of more than 300 pieces to Taylor University.

Several suggestions have been made for the July field trip. A final decision will be made at the June meeting, which will be June 20.

Present at this meeting were: Joe Blue, John Bradley, Kathy Humbert, PJ Culley, Sally Bancroft, Ruthann, Ed Breen, Kay Dougherty, Margaret Wilson, Sue Israel and Robbie Blue.
