A Conversation with Mr. Thomas Jefferson

Presented by:

David Best, Writer and Educator

Acknowledgements

Our thanks to Mr. Best for this evening's program. He will portray Thomas Jefferson, who was our third president and a powerful advocate of liberty. Mr. Jefferson was born in 1743 and died in 1826. At age 33 he drafted the Declaration of Independence. In addition to his duties as president and statesman, he was a scholar, lawyer, farmer, inventor, surveyor, and gardener. His influence is still felt in our nation today.

Thanks to those who helped with Annual Meeting arrangements and to all those who have served in so many ways during the 2009-2010 year.
