Acknowledgements

Thanks to those who helped with Annual Meeting arrangements and to all those who have served in so many ways during the 2010-2011 year.

Our thanks to Kevin Stonerock for this evening's program of rollicking tales about steamboats and the Ohio River. Through story, song, and first-person living history, he will present to us the grand adventure of life on the Ohio River from the frontier era through the glorious age of steam, with special emphasis on the showboats. Kevin will be a showboat barker from the 1890s.

2011 marks the bicentennial of the *New Orleans*, the first steamboat to successfully voyage down the Ohio River, which hastened the opening of the American West.
