

Grant County Historical Society

September 16, 2020

The September meeting was chaired by Robbie Blue as President Brandon Houser was not present. The meeting opened at 6.15.

Minutes of the August meeting were passed out and read. In a correction to the August minutes, the name is not Wes Morgan, but Les Moore. There was no Treasurer's report as the Treasurer was not present.

Joe Blue reports that Les Moore, who was consulted about making t shirts, is willing to do it but no price has been discussed. There were several suggestions what to print on the shirts, but the general consensus of the group present was a Society logo on the front in the left pocket position, and a large photo of the old Courthouse with horses and carriages taken from one of Robbie's antique postcards. Possibly a beige shirt with brown printing.

Robbie called Brandon to discuss possible meeting times for our October meeting. Possible times have been October 17, 21 or 24 at various hours. Brandon has talked to June Felton who will be leading the tour of the Library museum, and Ms. Felton believes October 21 is best, and must meet by 4 in order to be finished by 6. The tour will be advertised on Ed Breen's radio show, in the Chronicle, the Herald and posters in the Library.

If needed, there will be a board meeting October 7.

Present at this meeting were Joe Blue, Robbie Blue, Stan Steiner, Sally Bancroft and guest Jackie Steiner.

Respectfully submitted,

Sally Bancroft, Secretary
